

DAC 500

High-Capacity Air Power for Demanding Industries

DAC 500 – 15HP-N | 500L Piston Air Compressor

The DAC 500 15HP model provides exceptional air output for manufacturing, construction, and multi-station air systems. Built with a reinforced motor and advanced cooling, it's engineered for long-term performance in industrial environments.

Key Features:

- 15HP heavy-duty electric motor.
- High air output for multiple tool operation.
- Twin piston with oil lubrication for durability.
- 500L tank for extended duty cycles.
- Advanced safety and overload protection.

Tank Capacity
500 Liters

Power
15 HP

Cylinder
Two-Stage

Max Pressure
10 Bar / 145 PSI

Air Displacement
1596 L/min (56.4 CFM)

Volt / Hz
220-380V / 3/ 60Hz

Gross Weight
250 KG / 551 LBS

Box Dimensions
(W × D × H)
1910 × 620 × 1200 mm
