

DK-HB-184

Limitless Mobility, Brushless Performance.

DK-HB-184 | 4 Amp 18v Cordless Paint Mixer

Break free from the power cord without sacrificing strength. The DK-HB-184 combines the freedom of an 18V cordless system with an advanced brushless motor, offering high performance for job sites where portability is key.

Key Features:

- **Brushless Technology:** Features a brushless motor for increased efficiency, longer lifespan, and high performance.
- **Cordless Freedom:** Powered by an 18V / 4 Amp battery system for maximum mobility on site.
- **Smart Speed Management:** Dual-speed settings offer Speed 1 (0-420 rpm) and Speed 2 (0-710 rpm).
- **Quick Turnaround:** Includes a 110-240V charger with a fast 100-minute charging time.
- **Durable Mixing:** Comes equipped with a 120x590 mm M14 mixing paddle for versatile application.
- **Operator Focus:** Ergonomically designed handle ensures comfort and control while working.
